

Provide a repair aid for **car and technology** troubles

Members receive troubleshooting tips and repair advice for their car, computer, appliances, electronics, HVAC and more.

Our turn-key Helpline Network membership kit includes a program guide, unique member ID card, envelope and website. If requested, our in-house marketing team can white-label this turn-key program. For added convenience, we can handle all print production and mailing services.

Personal concierge

- The personal concierge is designed to be your one-stop, 24/7 resource for all your planning needs. The personal concierge is on call any time of the day or night to provide information on restaurants in most major cities, arrange for tickets to the latest show or sports event, or suggest where to eat, stay, or even how to spend a rainy day. For the times you inevitably forget a birthday or anniversary, the personal concierge can arrange for flowers or gifts to be sent anywhere in the world on your behalf.
- Perfect for the time-stressed individual, your personal concierge can assist you in the planning and design of special events like a romantic weekend getaway, birthday or anniversary celebration.
- Personal concierge services also provide travel services designed to assist in virtually any situation a traveler may encounter, including emergency interpretation services, passport recovery, information on golf courses, hotel reservations, flight departure times and much more!
